**Booth: 382 | Event Exhibitor**

## Affigent, An Akima Company

Brooke Eiser  
(443) 655-3583  
brooke.eiser@affigent.com

### Affigent's Website

Affigent is a turnkey IT solutions provider dedicated to helping agencies modernize their IT infrastructure while simultaneously improving security and delivering mission-serving solutions faster and at a lower cost. To learn more about Affigent, visit [www.affigent.com](https://www.affigent.com).

**Silver Sponsor**

## Alation

Tanya Richards  
(240) 421-5970  
tanya.richards@alation.com

### Alation's Website

Alation is the first company to bring a data catalog to market. The Alation Data Catalog combines machine learning and human collaboration to change the way people find, understand, trust, use and reuse data. More than 200 organizations leverage the Alation Data Catalog to gain confidence in data-driven decisions.

**Booth: 414 | Silver Sponsor**

## All Native Group

Gwendolyn Lacy  
(571) 289-3883  
GLacy@allnativegroup.com

### All Native Group's Website

All Native Group is a network of small businesses supporting the critical missions of various U.S. Government customers. Our capabilities include information technology (IT), telecommunications, health, logistics, specialized training, and other professional services.

**Booth: 364 | Event Exhibitor**

## Amazon Web Services

Mike Mahanes  
(303) 359-7051  
mahanes@amazon.com

### Amazon Web Services' Website

For over 15 years, Amazon Web Services has been the world's most comprehensive and broadly adopted cloud offering. AWS has been continually expanding its services to support virtually any cloud workload, and it now has more than 200 fully featured services. Millions of customers-including government agencies-trust AWS to power their infrastructure, become more agile, and lower costs.

NOVEMBER 7-9, 2022

## American Cyber, Inc.

Andrew Zaleski  
(703) 402-0525  
azaleski@americancyber.com

### American Cyber's Website

American Cyber specializes in C5ISR and cyber services for the Government and has decades of experience leading technology-based transformation projects supporting National Security missions. We identify and implement preeminent, integrated technology solutions based upon our specialized knowledge of C5ISR and cyber requirements and systems, and our expert insight into the needs and process of the U.S. Government and Department of Defense.

**Booth: 220 | Small Business Exhibitor**

## Appian

Scott Williams  
(703) 416-9884  
scott.williams@appian.com

### Appian's Website

Appian accelerates modernization programs by discovering, designing, and automating defense organizations' most important processes. We are the unified platform for change. The Appian Low-Code Platform combines the key capabilities needed to get work done faster, Process Mining + Workflow + Automation, in a unified low-code platform. Since 1999, government departments and agencies have trusted Appian and our open, enterprise-grade platform. For more information, visit [www.appian.com](http://www.appian.com).

**Booth: 406 | Silver Sponsor**

## Army Training Information System (ATIS)

Timothy Hale  
(757) 878-0433

### Army Training Information System (ATIS)'s Website

Army Training Information System (ATIS) acquires, deploys and maintains a worldwide distributed learning system to ensure our nation's Soldiers receive critical training anytime and anywhere to ensure mission success. ATIS increases the quality of life for Soldiers and Department of the Army (DA) civilians by providing a more stable and predictable lifestyle; reduces training costs for the Army; and directly impacts the Army's ability to meet its training mission.

**Booth: 322 | Event Exhibitor**

## Alation for Public Sector

### Create Efficient Access to Data

Deliver mission critical insights with smart, safe data access. Guide people to the right data in the context of security clearances to speed report and analysis delivery with data democratization.

### Foster Data Transparency & Sharing

Enable data visibility within a strong data governance framework to surface the right data and enable information sharing while maintaining security.

### Modernize Data Systems

Gain visibility across data spread across legacy sources and understand data assets and speed cloud adoption to improve program delivery, speed responses and improve the delivery of services

## Avaya

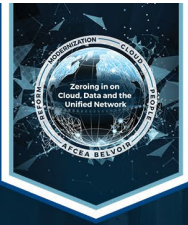

Bill Treffinger  
(919) 425-8337  
watreffinger@avaya.com

### Avaya's Website

A global leader in delivering superior communications experiences, Avaya provides the most complete portfolio of software and services for multi-touch contact center, UC, and multimedia solutions - securely in the cloud, on premise, or a hybrid of each. Avaya enables the mobile workforce, enhances public safety, and delivers a digital workplace.

**Booth: 416 | Silver Sponsor**

# AFCEA BELVOIR INDUSTRY DAYS

NOVEMBER 7-9, 2022

## Computer Hardware, Enterprise Software and Solutions (CHES)

888-232-4405

[Computer Hardware, Enterprise Software and Solutions \(CHES\)'s Website](#)

*Computer Hardware, Enterprise Software and Solutions (CHES) is the Army's designated primary source for commercial IT. CHES provides a no-fee, flexible procurement strategy through which an Army user may procure commercial-off-the-shelf (COTS) IT hardware, software, and services via an e-commerce (IT e-mart) based process. CHES offers simple, straightforward contract vehicles through its online Army e-commerce ordering system, the IT e-mart (<https://chess.army.mil>). These contracts provide continuous vendor competition for best value and consolidation of requirements to maximize cost avoidance and leverage the Army's buying power.*

FOR YOUR AGENCY?

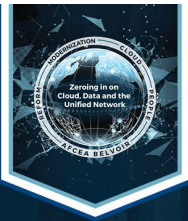

## WE'RE YOUR ANSWER!

FBC is a professional organization providing meeting and conference support for the DoD, Intelligence Community, and Federal Civilian Agencies since 1976.

The Federal Business Council (FBC) has established a proven track record of excellence in coordinating military events. We are experienced in every level of program advisement and specialize in the unique needs that our military partners encounter. Work with FBC on your next event through GSA Schedule 47QRAA20D0014 and use the "No Cost Option" available to all DoD, Civilian, and Intelligence Agencies. Whether you are coordinating training for your company or leading a base wide specialty event, FBC can support your program with web design/ hosting, attendee registration, name badges and staff that will ensure that your event is a success.

To view a list of our current events, visit our website at [www.fbcinc.com](http://www.fbcinc.com)

For questions about contracting an event, please contact Dave Johnson at (800) 878-2940, ext. 209 or [djohnson@fbcinc.com](mailto:djohnson@fbcinc.com)
