TERMS AND CONDITIONS

Marketing Services Package (MSP)/Sponsorship Agreement

The Participant when making an application to participate, accepts and agrees to comply with the conditions of this contract and agrees that this contract is binding on all parties and can be amended only in writing.

All contracted fees, including MSP and sponsorship fees, are due and payable at the time of registration. By registering, the Participant is committing to their involvement in the event. It is agreed that once an MSP or sponsorship is contracted, reserved and allocated on behalf of the Participant, it is taken out of inventory by FBC, which will effectively prevent future selling of the allocated inventory. Participant further acknowledges and agrees that cancellation, regardless of the reason, will be subject to the pro-rated refund schedule* described within this agreement.

*Participant understands and agrees that a variety of lead-up marketing services will be provided by FBC on behalf of Participant in exchange for fees covered by the MSP. These activities may include pre-event marketing design, government agency promotion, email promotion, direct mail, event strategies & advisory services related to the event, web services, logo placement, positioning of participant with government sponsors and partners, access to event related marketing tools, apps, websites, and other activities designed to enhance the participant's visibility and marketability to the selected audience. The full purchase price will be credited for cancellations submitted 120 days prior to the event start date. For the period 119 days through 45 days prior to the event date, 50% of all registration fees paid or contracted for by Participant will be considered earned by FBC, regardless of the reason for cancellation. For the period of 44 days through 15 days prior to the event, 70% of all registration fees paid or contracted for by Participant will be considered earned by FBC. For the period of 14 days until the event day, all registration fees paid or contracted for by Participant will be considered earned in full by FBC.

If the government or FBC cancels or postpones an event for which the Participant is registered, Participant shall be credited any eligible fees to the rescheduled event or other future FBC event. If FBC or the Sponsoring agency decides to move an in-person event to a virtual/digital platform for public health reasons (including COVID-19 concerns), government regulations or other restrictions, FBC will transfer the registration to the replacement virtual event at no additional cost to the Participant.

Marketing Services Package (MSP) Terms

- 1. Cancellation requests must be submitted in writing. Any applicable credits will be applied based on the MSP agreement stated above.
- 2. Any credit balances on account from past events may be applied to any outstanding current invoices at FBC's discretion without written authorization from Participant. Credit balances will be assessed an account maintenance fee of 50% per year for any unused balances. Credit balances may be applied to future MSP's as selected by the participant, in writing, to FBC. Any credit balance must be used within two years. Participant waives all future claims to credits after this period has expired.
- 3. If credit card information is provided as payment, it will be processed upon receipt of the reservation.
- 4. Specific advertising and promotions are at the discretion of FBC.

NOVEMBER 3-5, 2021 · HYBRID EVENT

- 5. The Participant, when making application to participate, accepts and agrees to comply with the conditions of this contract governing the conduct of and participation in the event(s) contracted. Participant further agrees that this contract is binding on all parties and can be amended only in writing by both parties hereto.
- 6. FBC does not approve, endorse or recommend the use of any specific commercial product or services. The Participant may not, therefore, imply either verbally or in printed literature, that his/her products or services are approved, endorsed, or recommended by FBC by virtue of this contract.

- 8. If FBC agrees to accept a Purchase Order, payment must be received within 30 days of the reservation. Reservations will not be held if payment is not made within 30 days. Reservations are taken on a first-come, first-served basis. Reservations are not transferable.
- Participant will be liable for ANY collection expenses, including reasonable attorney's fees and credit card fees associated with charge backs. Participant also forfeits any discounts and/or credits associated with a show(s) when an account is sent to Collections
- 10. FBC reserves the right to cancel or change the date of any component of the MSP at any time.
- 11. FBC reserves the right to determine availability of attendee information. Some government locations are extremely secure, and government groups may specifically disallow collection of attendee identification information. Therefore, not all shows will have attendee information available.
- 12. FBC reserves the right to rescind all or part of any discounts extended to Participant if Participant cancels any components of the MSP referred to in this contract or accompanying documentation. FBC also reserves the right to back-bill any fees/costs should the above circumstances occur.

- 5. Participant agrees not to accept any form of funds (credit card, checks, cash or other funds) while participating in MSP activities.
- 6. Demonstrations and Interviews. All activities during delivery of the MSP must be conducted in such a way as not to infringe on the rights of other Participants or offend visitors. Interviews, discussions or other business conversation must be confined to the Participant's area only. Independent 'hospitality suites' or other activities which are not an official function of the event or official agenda are prohibited and will not be supported nor promoted.
- 7. The Participant agrees to comply with local fire and safety regulations and furnish any permits required by authorities.
- Neither FBC nor the Federal Government assumes responsibility or liability for any theft, damage or loss by any cause of property to the Participant, his/her agents, or employees, nor for any injury that may occur to Participant, his her agents or employees.
- Participant agrees to setup / break down any exhibits, posters or other materials used during the MSP within designated times for each event. Distribution of souvenirs and samples of products is permitted provided there is not interference with other Participants.
- 10. FBC reserves the right to reject, in whole or in part, and at any time, any individual or material which in its opinion is objectionable to Participants or others. No liabilities or damages whatsoever against FBC or any of their representatives, agents, or members shall be incurred because of such rejections.
- 11. FBC is not responsible or financially liable for the coordination of any shipped materials to or from an event site. This includes contacting shipping companies, cost of lost items, and packaging of materials. The shipment, packaging, and tracking of materials are the responsibility of the participating Participant.
